Beauty without pretense . . .

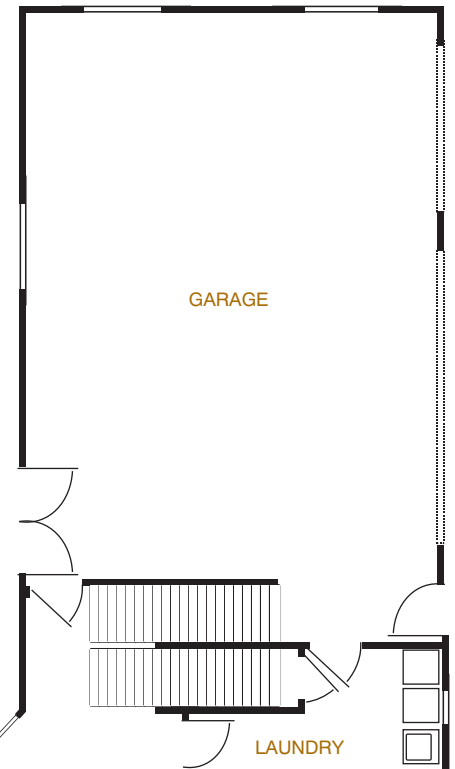

You'll feel as though you've stepped into the Provençal sun-drenched region of southern France with this stunning all-brick French country home, featuring beautiful stone and copper detail. It's massive great room, warmed by a stone fireplace, is open to the expansive kitchen and breakfast area – with custom cabinetry, granite countertops and commercial grade stainless-steel appliances. Architectural columns and elegant arches grace both the great room and formal dining room. Luxury and pampering awaits you in the main-level master suite with oversized walk-in closet, jacuzzi and Roman shower. Other unexpected features, such as a private study, jack-n-jill bath and an exceptionally large bonus room make this an ideal home for family living. Unprecedented attention to detail is evident among the many distinctive appointments throughout all of Klomp Custom Homes.
